Ready for the European tourism market

Marakanda Travel

has successfully participated in the sustainable tourism programme
of the German Import Promotion Desk (IPD) from 2021 to 2024.

The company is considered "ready for the European tourism market"
according to the IPD criteria.

Bonn, 29 October 2024

Dr. Julia Bellinghausen
Head of Import Promotion Desk

Marius Thümmrich
Expert Sustainable Tourism

Import Promotion Desk (IPD) is an initiative for import promotion in Germany. It is an instrument of the German development cooperation and provides small and medium-sized enterprises from selected partner countries with access to the European market.

The focus is on sustainable trade promotion in selected product groups with high development policy relevance.

The aim is to integrate the partner countries into global trade and thus make a contribution to sustainable economic, social and ecological development in these countries.
